

Privacy Policy

At onepointe, our promise is simple: We use your data to help you connect with scholarships and other fin-aid — and we protect it like our own. We DO NOT sell or misuse your data.

1. What We Collect and Why

To help you apply for offerings, we collect only the information necessary for accurate application submission:

- Personal & Academic Information
- Personal Data

We practice data minimization and only request information required for the specific scholarship or loan scheme you are applying for.

2. How We Use and Share Your Data

Your data is only used for the purpose of applying for scholarships and loans on your behalf. We do not share it for marketing or profiling.

We may share your data with respective offering platforms:

- Government Portals (e.g., MahaDBT), NGOs, or banks involved in your application.
- Authorized Team Members at onepointe and our trusted IT/communication service providers, all under strict confidentiality.

3. Legal Basis and Consent

We comply with the Digital Personal Data Protection (DPDP) Act, 2023. As a Data Fiduciary, we ensure:

- We collect and process your data only with your clear and informed consent.
- You are informed about what data is being collected and how it will be used.
- You have full control and rights over your data.

I have read and agree to the Terms of Service and Privacy Policy.

I give explicit consent to onepointe to collect and process my sensitive personal data for submitting my scholarship and loan applications.

4. Your Rights

You always have full control over your personal data. You may at any time:

- Access or correct your data via your account dashboard.
- Withdraw consent (this may pause or stop ongoing applications).
- Request deletion of your account and personal data by contacting us.

5. Data Security

We follow industry-standard security measures including:

- Data encryption during storage and transmission.
- Role-based access control to limit data access to authorized personnel.
- Regular security audits and strict internal policies.

6. Compliance with Indian Law

We are compliant with the Digital Personal Data Protection Act, 2023, We are committed to protecting your privacy and rights as a data principle under this law.
